

# Custer Stampede

...where the buffalo roam

MAY 27, 2011 - SEPTEMBER 25, 2011

This year's Custer Stampede features several new artists as well as some very popular returning artists. An initiative of the Custer Area Chamber of Commerce, all bison-themed artwork is displayed in and around Custer City businesses and the surrounding Black Hills from May through September. This year features 4 life-sized buffalo, 8 table top buffalo for auction and 1 for raffle, and 9 "free form" pieces including sculptures and paintings. We are also very proud to have a portion of the "herd" owned by Jim and Colleen Hennessy on loan to line the streets of the community. Our deep thanks go to them for letting the community and our visitors enjoy their herd as much as they do!

The 7th Annual Custer Stampede Buffalo Art Auction will conclude with a weekend full of activities Sept. 23-25. All events are held in conjunction with the Custer State Park Buffalo Arts Festival and Round Up weekend.
